Program Guide January 2026

250 Celebration

Join the Baxter County Library as we commemorate the people, places, and events that have shaped our country and the Natural State—past, present, and future. As America prepares to celebrate its 250th anniversary in 2026, we'll shine a spotlight on Arkansas's unique role in our nation's story.

Through exhibits, programs, and community events, the Library will explore how Arkansans have helped build and define our country.

250 Art Contest: What Does America Mean to You?

January 1 - February 28

From kindergarten through adults, everyone is invited to share their artistic talents as we commemorate America's Semiquincentennial! Youth (K-12) and adult participants may submit original artwork in one of two categories:

- **2D Art: No larger than 8.5" x 11"**
- **3D Art: No larger than 12" x 12" x 12"**

One entry per person is allowed. Art will be judged within the following age categories: 5-8, 9-11, 12-14, 15-18, and 19+. Professional artists may also submit original work, which will be judged in its own category.

All entries must be original and not AI-generated. Winners from each art and age category, a total of 12 winners, will receive an American-themed gift basket.

Winning entries will be announced and select artwork will be displayed in the Library during March. Pick up contest rules at the Circulation, Children's, or Teen Desk at the Library.
