

THE AIRPLANE

It was 20 minutes till school was out. Everyone was watching the clock while Laura, was drifting off with her pencil in her hand about to stab herself. When a paper air plane hit her. She awakened and saw it on the floor with the tip smooshed. She picked it up and saw half a word on the fold. She opened it up and saw that it was a note. It read-

Dear Laura,

I'm sorry for mistreating -

The bell rang. All the kids came piling out the door. Laura closed it and walked to the door. She opened the note again to keep reading when, Nellie came and said, "Everybody Laura has a love note!" "Shut up Nellie!" said Laura while she closed the note and walked home. Once there, she immediately went to her room to read the note.

“Dear Laura,

I’m sorry for mistreating you. I have found Jesus Christ. Give me another chance. Come over to my house tomorrow so I can learn more about God through you.”

Sincerely, Nellie

“Nellie was bullying me about a note she gave me. I’ll just go over there and see Nellie’s fancy house. The next day the bell rang Laura sprang out of her seat. Once she got outside, she looked for Nellie when Mary came up. “What are you looking for?” asked Mary. “Nellie” said Laura. “Why do you want Nellie. She’s your enemy!” “Enemy’s a strong word. More like rivals. “Whatever. I’m going home. You coming?” “No, I’m going to Nellie’s house. I’ll be home soon. Tell Ma and Pa I’ll be late.” “But somebody’s coming over to interview Pa.” “I’ll be there before dinner. Don’t worry.” “Suit yourself.” Said Mary as she walked off. When Laura got

to Nellie's house it blew her away! There were beautiful white stairs leading to the front porch. She knocked. Nellie came running to the door. "Come in." She said out of breath. Inside was even bigger than she thought. There was a brown couch and a beautiful chandelier. "Let's go to my room." said Nellie. Her room had a big bed and a little China doll on the table. Laura always wanted a China doll but they're too expensive. Laura sat on Nellie's bed waiting to talk. Nellie was at the end of her bed doing something. "Did you get my note?" said Nellie. "Yes, but why did you make fun of me about the note?" said Laura. "I'll tell you if you promise you won't tell anyone." said Nellie seriously. "I promise." Laura said immediately. "Everybody knows that we're like enemies. I don't want them to know that I'm a big softy. "I thought you invited me so that I could talk to you about Christ." Laura said while she was rubbing her face. "Yes, I did. I got baptized and now I want to learn more about Jesus." "Lucky for you I brought a Bible!" So, Nellie believed in Jesus and everything was awesome.
